BERGEN COUNTY COIN CLUB INSTALLS NEW OFFICERS

The Bergen County Coin Club met last Wednesday night, January 16, 1957 for its installation of officers and party. About fifty members and guests from various clubs were present. Food, refreshments both hard and soft were served and a jolly time was had by one and all.

The new officers for the coming year were installed and are:

Anton Mayer, President; Michael Zingale, Vice President; George E. Meyer, Corresponding Secretary; Helen H. Zingale, Recording Secretary; and Arthur B. Bloch, Treas. Our guests from New York included Raymond Gallo, past President of the Bronx Coin Club, who was master of ceremonies and conducted the installation. Member Frederic Gombash lent his professional services as photographer.

Our retiring President, William T. Anton, was presented with a shield holding three U.S. proof sets, 1954, 1955 and 1956, symbolic of his terms in office. The club members presented this to him in appreciation for all the time, work and effort that "Bill" Anton has put into the club since its founding. Being our first ex-president, Mr. Anton becomes our first member of the Bergen County Coin Club Board of Governors.

The Bergen County Coin Club meets on the third Wednesday of each month at Firehouse No. 2, River Edge, New Jersey, at 8 P.M. Numismatic friends are always welcome. At our February meeting, plans for the club's activities for the coming year will be discussed.

THE EISENHOWER MEDAL

President Eisenhower received his Presidential Medal from Treasury Secretary Humphrey on December 10, 1954. The Secretary presented the Medal to the President at the weekly Cabinet session.

Each member of the Cabinet also received one of the Medals as a personal gift from Secretary Humphrey.

This Medal is the latest addition to the Historic series of Presidential Medals. It went on sale at the United States Mint at Philadelphia the following day.

The Medal is bronze, three inches in diameter, and was made by artists of the United States Mint at Philadelphia. One side has a relief head of President Eisenhower done by sculptor Gilroy Roberts. The other side done by artist Frank Gasparro, is the figure "Freedom" which stands on the dome of the United States Capitol. The scene to the right of the figure represents the eastern half of the United States, with the farmer plowing the soil and City buildings visible beyond the hills. To the left are the pioneering forefathers, blazing the westward trail in covered wagons, the Rocky Mountains in the background.

The Eisenhower Medal is the 33rd Presidential Medal in the series, which began with George Washington. The entire series is available at the United States Mint in Philadelphia.

MEDALS CAN BE OBTAINED BY SENDING \$2.50 (which includes shipping charges) PER MEDAL, TO THE UNITED STATES MINT PHILADELPHIA.

FROM THE EDITOR'S DESK

As you read through the pages of this issue you will note the first display ad in color of Crisswell's of Florida. I believe this is the first display in color of any coin publication.

You will also note your editor's profile, having received requests to publish a photo of myself, I am complying. This is an unexpected shot, taken while talking coins over the phone.

We have on file two Lincoln cents, with the date missing sent by one of our readers, also we have a photo of a 1931 cent with the mint mark blurred. We wish to hear from their owners so we may publish them, as their names and addresses were lost.

Having received inquiries from our readers, about their January issue not being received, I suggest to all if your copy is not received within the first ten days of issue, to contact your post office, or write your editor for another copy as it may have been lost en route to you.

You probably have noticed the cold wintry weather we are having, here at Newark, it has been in the low 10's and colds galore. Doctor's and drug stores are doing a big business.

Please send ad copy to us as early as possible, so we may properly get them ready, and also get the Eaglet out early to you. It is now time to fire the furnace, till the next issue hope the weather is warmer.

LETTERS OF COMMENT

Dear Sir:

Some time ago I wrote in for a sample copy of your paper The Flying Eaglet, I am under the illusion it is quite a good little paper.

I subscribe to at least 6 others, and feel that yours is every bit as good, and in some instances better.

Am enclosing \$2.00 in cash for a one year subscription, and \$1.00 for 6 back issues.

I feel I will send in an advertisement in the very near future, and see the results, apparently your subscribers number 900, and rapidly growing larger.

Sincerely yours,

AL ROSEN
Collectors' Centre,
Toronto, Canada

Dear Mr. Spadone:

Thank you for the sample copy of the Flying Eaglet.

I'm glad to see that you use a very good grade of paper and the printing is excellent as well. My only gripe is that there are not enough pages to read but I suppose they will increase in time.

Enclosed you will find a money order for a year's subscription.

Sincerely,

RAY LEAVITT
Brooklyn, N. Y.

Dear Sir:

Received your December 1, '56 issue and liked it very much. I gave my blank to a friend who saw my issue and wanted it. I like the Flying Eaglet very well especially the "Mint Report" and hope you publish same often. Would like to start my subscription with January issue. I enclose \$2.00 for years subscription.

yours,

CLARENCE E. CUE

Pontiac, Michigan

Clerk: Sorry, madam, but Mr. Gotcash has just gone to lunch with his wife.

Mrs. Gotcash: Oh! Well, then tell him his stenographer called.

"I see by the paper that the exhibit we attended yesterday was a tremendous success."

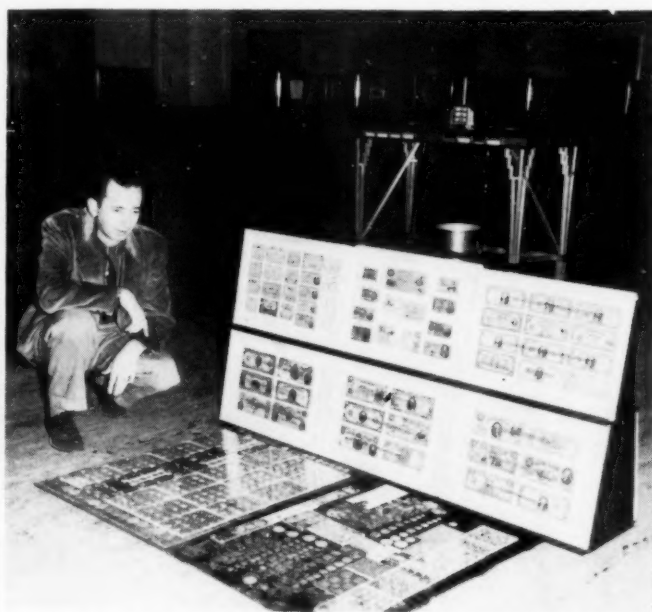

"Yes, I had no idea we were enjoying it half so much at the time."

Bore: I'm a self-made man, that's what I am — a self made man.
Listener: You knocked off work too soon.

Bride-to-be: We mustn't overlook the most insignificant detail.
Future Ma-in-law: Don't worry about him. He will be there.

"Do you permit your wife to have her own way?"

"No, sir. She has it without my permission."

THE HEART OF AMERICA NUMISMATIC ASSOCIATION

Ray O. Lefman newly elected president of this gigantic association for 1957, which boasts over 150 members, is shown inspecting part of his display.

This fine array was displayed at the "Union National Bank of Kansas City" during the "National Coin Week of 1956."

Mr. Lefman writes, 'received the January Eaglet issue and I am real proud to have been among the first of your subscribers. The paper has certainly grown and I know it will continue to do so.'

The Heart Of America's goal is to list over 200 members for 1957 and expects to be one of the biggest coin groups in the nation, off hand I'll say it's doing right well now. Recently their coin collection was sold, and the proceeds amounting to \$250. was turned over to "the Kansas City Museum", to start a permanent display of Monies of the World. At hand for this occasion were: Buford Ellis, Sec'y., John Maxim, Vice President, Hart Mayer, President, Vic Hill, Treasurer, Ray Janda, Committeeman, Dr. Kenneth Prescott, Director of the Museum and Lester Wright also of the committee.

The new officers of the club for 1957 are:

Ray O. Lefman, President
John Maxim, Vice President
Buford Ellis, Secretary
Phillip Geisal, Treasurer
Galen Whitt, 2nd Vice President

We have on hand a large photo of the attending members at one of the meetings, this will be published in our next issue.

COIN WATCH

This unique coin watch encased in a genuine U.S. \$10. gold piece, was generously sent to me for inspection, by the J. & N. Coin Co. of New Augusta, Indiana. Their one-quarter column ad in our pages offers it for sale at \$1500.

Only six of these have been made in Switzerland by the Piaget Company. Two of these are in the U.S.

This piece is a little thicker than the \$10. gold piece and is assembled with great precision workmanship. When the obverse cover is released, the watch can be lifted upward on its hinge. This piece would make an attractive show room display. Due to the expense and vast amount of skilled workmanship, their production has presently been discontinued.

New Jersey Numismatic Club's 276th Meeting

The 276th meeting of the N. J. Numismatic Society was held on Thursday evening, January 10th at the Military Park Hotel, Newark, N. J. Arthur Mershon presided. The Secretary read the minutes and communications. Old business and new business was discussed pro and con. Frank G. Spadone was inducted as a new member. A collection formula was inaugurated for to supplement rental. A highly educational and enlightening talk with indicative exhibitions on fake, spurious, imitation ancient and modern pieces of money and replicas thereof was given by William Selfridge of the Kay Coin Co. as a service to collectors.

The exhibitions of the evening were various. Vincent F. Torhan had a new 1956 Haiti 20c piece struck at the Philadelphia Mint. Is it possible that the Mint strikes Foreign coins just for international good will? Harry Mathews of Jersey City had both an English and French scale for the weighing of gold coins. Henry Christensen of Hoboken had a large bronze metal of 1882 Commemorative of Newark, N.J. Merchants. Someday a comprehensive book of the complete metals collection will be made of this interesting series. Willard C. Blaisdell had the rareties 1865-5c nickel proof

starred reverse, 1867-5c nickel proof stars and rays reverse and a 1796 Castorland copper restrike, just a few of his many rarities. H. M. Oechsner showed an Egypt Large Bronze AS PTOLEMY I 323-285 B.C., also an Egypt Gold Octodrachme PTOLEMY II 285-246 B.C. J. A. BROWN read an original article relating how the altering of gold coins led to the expulsion of all Chinese from Mexico several decades ago, also spoke on how plastics now cover, decorate or protect every particular type of numismatic collection and where many times the compo case now exceeds the value of the coins contained thereby. Lewis O. Goodman exhibited a one-hundred year old, "Leary's Reckoner And Form Book", listing table of all gold and silver coins of the world. (Turn back the clock at these prices). George Wait had a Grant Commemorative gold dollar without star, also paper ten dollar note First National Bank of Plainfield, N. J. dated February 25, 1883.

The auction which had been postponed every month for three months was finally held this evening and a nice variety of choice items were eagerly sought after and not cheap either. The seigniorage was and is always a welcome addition to any treasury.

Sincerely yours,
JAMES A. BROWN

Dear Frank,

Though I do not specialize in Canadian coins, I am trying to complete a modern day set by picking the coins out of circulation. The other day I picked up a King George VI nickel dated 1937 with a dot. Looking through my various catalogues I find catalogued dot pennies, dimes and quarters but no mention of dot nickels. Do you have any information on such a nickel?

Before saying goodbye, I want you to know that the "Flying Eaglet" is the best coin publication I've come upon. I feel fortunate in coming upon such an informative, yet extremely interesting journal.

Also, thanks for the fine service you have been rendering me.

Sincerely,

RAY SAVERA

Who owns an 1895P Silver dollar?

Dear Sir:

With the help of the "Eaglet" and other coin publications, I am trying to take a survey of the 1895-P dollar. I'm hoping that you will publish this asking all collectors and dealers to let me know how many they may have in their possession, so that this survey will be more accurate. I will send you the results so that you may let everyone know of it.

Hoping you will do me the favor, I remain,

Truly yours,

OVER-SIZED NICKEL

The above photo shows the over-sized Jefferson nickel at the left, at right is the standard size. John Zurine, proud owner sent same in for my inspection and I can't see any difference between the two except that it is the size of a quarter. It is either genuine or an excellent reproduction. Mr. Zurine would like to hear from any one as to its value, or of any other coins similar to his. Write to the editor or John Zurine, 303 Morse Av. Simpson, Pa.

NEWARK, N. J. COIN CLUB MEETS

The fourth meeting of the
Newark Coin Club was held Tues-
day evening, January 8th at the
Downtown Y.M.-Y.W.C.A. with
twenty ladies and gentlemen present.
The meeting opened at 8:00
P. M. with the "Pledge of Allegiance", then reading of the minutes,
old and new business, communications
and program activities.
Two articles were read by
J. A. Brown, "Modern Haircuts
On Ancient Coin", and "No Chinese
In Mexico", of this latter
which related to an international
incident of expulsion. Drawing of
the door prize gave to Mrs. Gene
Graver a Chinese Abacus with
book of instructions. This instrument
of bead arithmetic is the
oldest adding machine and an expert
can beat a modern manually
operated one in addition, subtraction
and multiplication easily.
The designation for the evening,
Commemorative Coins, brought
forth a number of oddities and
Nicholas Salimbene had a variety
of Korean Temple pieces, fishes
etc., some rare. George Wait won
the best exhibition prize which
was a perpetual motion machine
activated by either light or heat,
with his nice exhibition of Uncirculated
Commemoratives of
both gold and silver.

The auction was a huge success
and every item bid went at bargain
prices even by our standards
and a record fifty odd pieces went
to eager and joyful bidders. An
enthusiastic member brought out
of excellent came a banner with
a strange device, which was hung
on the door as our club emblem.

TORONTO COIN CLUB

The meeting of December 15 was attended by 25 members and
two guests, Messrs. Francis D. Byron and Geo. G. Argo. Dr. J. S.
Wilkinson presided. Each person was given an Unc. 1956 cent upon
registering, compliments of Mr. Jewett.

Our officers for 1957 are:

President - Fred C. Jewett Vice-President - G. Max Skinner
Secretary - Peter S. Favro Treasurer - Mrs. Louise Graham
Librarian - Mrs. Freda Peddie

Three Directors - Messrs. Vincent G. Green, Clare Kekewich
and John L. Sheperd. Dr. Wilkinson, as Past President is the
9th member.

Thirty slides of Biblical coins were projected by Bob Hather, with
Pete Favro as commentator. Dr. Wilkinson and Messrs. Hather, and
Favro presented a large exhibit of Biblical coins for viewing.

John J. Pittman displayed the 1670 five and fifteen sols of the
French Regime, an 1862 \$20.00 B.C. gold piece; a 1921 50c and an
Unc. 1921 5c; Unc. 1921 and 1927 25c pieces. He also displayed the
scarce French 1914 1 and 2 franc pieces struck at the emergency
mint of Castelsarrasin.

The "admittance coin" draw was won by Miss Gingell, drawn by
Mrs. Frampton. A quite large table auction was held.

Coffee was served to all, with the compliments of Dr. Wilkinson.
Mr. Ernest Seitz donated a large box of assorted chocolates which
were enjoyed by all present.

An item of local interest is the report that Canadian Line Materials
Ltd. was unable to obtain 35,000 Canadian silver dollars from
our own Mint to distribute amongst its employees as part of a profit-sharing
plan. So the money was sent to the U.S. Philadelphia
Mint, for which they received not only the 35,000 silver dollars but
about 1500 extra to cover the exchange. So there are now 36,500 uncirculated
U.S. dollars of 1925 in Toronto, so be on the lookout for them.

**ALLEGHENY-KISKI VALLEY
NUMISMATIC SOCIETY** has
grown to a total of twenty-five
members during its first year.

Interest in our meetings is
attributed to the Quiz on Coins.
Some twenty questions which are
gleaned from the Red Book are
used. A prize is given to the winner
of the correct questions, who
in turn prepares the next meetings
questions. After the Quiz is
over we conduct a small auction,
and then coin traders get together.

Our meetings are held on the
1st Thursday of each month at
7:30 P.M. at the East Kensington
Community Center, top of 7th
St., opposite the Martin School.
Any one living in the vicinity of
passing through is welcomed to
visit us.

We wish to thank the publisher
of the Flying Eagle for the many
copies sent to us in the past.
